FISHERMAN BAY PRESERVE:
WEEKS WETLAND
Lopez Island

Directions
From the Lopez ferry landing:
Take Ferry Road heading south. At 2.2 miles, the road name changes to Fisherman Bay Road. Continue into Lopez Village, turning right on Lopez Road at 4.4 miles. At 4.65 miles from start, turn right and park by the water tower at Village Park. Cross Lopez Road to the south and walk down Weeks Point Way for approximately 200 feet to the preserve entrance on the left.

From Lopez Village:
Park by the water tower at Village Park. Cross Lopez Road to the south and walk down Weeks Point Way for approximately 200 feet to the preserve entrance on the left.

When you visit:
• Stay on designated trails.
• Daytime and pedestrian use only.
• No dogs.
• Take nothing.
• Leave nothing.

At the 24-acre Weeks Wetland Preserve in Lopez Village, freshwater wetlands meet the marine waters of Fisherman Bay. A short foot path wanders through the wetland to an observation platform, which offers fine viewing of migratory waterfowl and other wildlife. To protect nesting and foraging birds, dogs are not allowed on this preserve. Property acquisition and trail construction were funded in part by a matching grant from the Washington State Department of Natural Resources.
