Preserves and Conservation Easements

Labeled properties provide daytime public access for low impact recreation.

When you visit: • Stay on designated trails • Daytime and pedestrian use only, unless otherwise marked • Leash your dog • Take nothing • Leave nothing.

March 2019

San Juan County Land Bank

Preserves are properties that the Land Bank owns outright.

Conservation / Historic Preservation Easements are privately owned and legally bound to preserve conservation values such as farmland, natural areas, or open space. Easements do not provide public access, unless otherwise noted.
