REMOTE MEETING

9:00 Welcome and Purpose of Retreat (Sandi)

9:05 Introductions

- In the chat answer the following question: What are you most proud of that the Land Bank has accomplished? OR What is the biggest challenge facing the Land Bank in the next 5 years?

9:15 The Evolution of the Land Bank Mandate

- The original mandate and how its implementation has changed over time (Initial review of draft document by Lincoln)

Discussion Questions:

- *Is it clear how and why the implementation of the mandate has changed over time? Are there any other insights on how and why the implementation of the mandate has changed?*
- *Are there suggestions for how implementation of the mandate should change in the years ahead?*

10:00 The Land Bank and Community Priorities

- Review data from two community surveys (POLIS and Confluence survey)
- Summary of themes/issues that emerge from the data (Overview by Lincoln)

Discussion Questions:

- *Is this information consistent with what you're hearing in your respective communities?*
- *Do the themes/issues suggest the need for any changes in the work the Land Bank is doing?*

10:50 Break

11:00 The Land Bank Role in Addressing Climate Change

- Anticipated impacts from climate change in the islands
- How the Land Bank is currently addressing climate change in its acquisition and stewardship activities (Overview by Lincoln)

Discussion Questions:

- *What role, if any, should the Land Bank be playing in addressing climate change?*
- *What would be the most effective approaches to addressing climate change impacts?*
- *Does that suggest a change in its approach to acquisitions or stewardship?*

12:00 Lunch

12:30 Prioritizing the Land Banks Work Activities

- Overview of acquisition, stewardship and outreach activities (Overview by Lincoln)
- Examples of the choices that are made with limitations on resources

Discussion Questions:

- *How would you prioritize the work activities for stewardship?*
- *How would you prioritize acquisitions?*
- *Based on the collective results from Commissioners, should priorities vary by district?*
- *How would these priorities change the focus of work activities? (i.e. what would Land Bank staff or more or less of?)*
