

salish seeds project

Native Seed for Sale

The Salish Seeds Project sells bulk seed of selected San Juan County, WA native wildflower species. To make a purchase, contact Eliza Habegger at the San Juan County Land Bank (elizah@siclandbank.org; 360-370-7653) with a list of species and quantities desired. Minimum purchase quantity is 5 grams. **An additional \$5 per species processing fee will be applied to each species purchased, except for the Wildflower meadow mix (available annually during our Fall Native Wildflower Sale).** Orders may be picked up at the Land Bank's office in Friday Harbor.

species	common name	approx. seeds per gram	price per gram	grams available
